Vienna, VA 22182

Dear Darien:

On behalf of the Arlington County Historical Affairs and Landmark Review Board (HALRB), please accept my formal congratulations on your winning entry in Arlington's 2007 Preservation Design Awards program. The McCord/Snook Residence at 1414 North Hudson Street in Lyon Village has been selected as an Honor Award recipient in the Residential Major Additions category. Our jury this year maintained the strictest of preservation perspectives while reviewing and discussing each of the submissions. As a result, only six projects exhibiting the highest standards of architectural design, quality of workmanship and execution, and adherence to preservation standards are being recognized this year with a Preservation Design Award. The judges agreed without hesitation that the McCord/Snook Residence clearly met these criteria and that your successful project will inspire other owners of historic homes in Arlington, as well as their architects and contractors.

I look forward to seeing you at the upcoming ceremony celebrating the 2007 Preservation Design Awards. The festivities will be held at 1:30 pm on Sunday, September 30th at the historic Hendry House, located at Fort C.F. Smith Park at 2411 24th Street North here in Arlington. An informal dessert reception will follow. Please feel welcome to also extend an invitation to interested colleagues, friends, and family members. I would appreciate if you could please RSVP to cliccese@arlingtonva.us at your earliest convenience so I know how many people will be in your party.

Again, congratulations on this exciting achievement (your initial reaction to the news was by far the best I ever experienced in my seven years of managing this program and making those calls)! If you have any questions about the upcoming awards ceremony, do not hesitate to call me directly at 703.228.3831. Thank you for your interest in and dedication to preservation efforts in Arlington County, and I wish you and your firm continued success.

Most Sincerely,

Cynthia Liccese-Torres
Historic Preservation Planner
